

Engineering Tripos Part IIA 2019/20

Submission of Laboratory Reports to the External Examiners

Instructions

- 1. Assemble your 8 Module Reports and your 2 Full Technical Reports and tie them together in a single bundle with this sheet clearly visible on top.

If you have done coursework for a Shared IIB module, please include it here. If you have done more than 8 reports for IIA modules and want to include them here, please do so. Any work completed for your ExA does not have to be included here.

Please do not use a ring binder. (Elastic bands will be available in LR11).

- 2. Take the bundle to Lecture Room 11 at a time between 10.00 am and 11.30 on one of the following dates:

Thursday 4 June or Friday 5 June

(If you can't make it at this time, please come along to the 4th year session in Lecture Room 10 between 2.15pm and 3.15pm on the same days – but remind us you're a 3rd year!)
