

Scholarship information for offer-holders

ICE QUEST undergraduate scholarship

QUEST offers scholarships of £8,000 over the course of your study to students about to start an ICE accredited civil engineering degree in the UK. The majority of scholarships are sponsored by civil engineering and construction companies, QUEST scholars are matched with a company, who they work with during the summer holidays, under the expectation that after graduation they'll join them full time. Full details can be found on the [ICE website](#).

Other scholarships

There are a large number of Prizes, Scholarships and Awards available and full details can be found on the [CUED Prizes and Scholarships webpage](#).
